Product Description:

Kelly Brand adjustable copy holder offers a variety of useful functions including a curved copy tray to reduce over head glare. Helps reduce eye and neck strain while reviewing documents or actively typing. Tray offers various height adjustments- rotates and swivels! Works on either side of the monitor or directly in front. Upper document clip adjusts to easily support letter and legal size documents with an extra wide paper ledge. Spring adjustable, see-through place keeper line guide slightly magnifies text while typing. The spring adjustable side pen/pencil holder features a rear clip which allows you to securely fold over stapled items and keep paperwork neatly in place. Base weighted for extra stability, made of durable plastic available in an attractive gray/putty color.
