- Sturdy mouse platform, with neoprene mouse pad
- Keeps mouse under desk when not in use
- Swivels, rotates and conveniently stores mouse
- Mouse surface, 7.75" W x 8" D, neoprene pad

Benefits:

- Saves desk space by storing mouse under the desk
- Rotates 360 degrees and tucks under the desk
- Built in mouse cable to keep mouse in place
- Sturdy metal c-clamp keeps the platform steady

Details:

Uniquely designed underdesk clamp mounted mouse platform which helps to keep your mouse at the same height with a chair arm rest for personal comfort and less reaching. Sturdy metal C-clamp with plastic cover keeps mouse platform attached firmly to the edge of the desk up to 1.50" thick. Platform rotates 360 degrees, stores mouse under the desk, saving desk-top space. Wire clip keeps mouse securely on the platform. Neoprene mouse surface is 7.5" Wide x 9" Deep for smooth tracking and less friction. Some assembly and installations required.
