Product Description:

Kelly Brand Under desk Keyboard Drawer with rotating optical mouse platform. Mouse platform includes a rotating safety rail which keeps the mouse on the platform. Extra wide mouse platform swivels, retracts beneath wrist platform and can be mounted on either side of the keyboard. All steel constructed drawer with fourteen inch ball bearing gliders offers smooth friction free operation which locks out while in use. Side mounting brackets can be height adjusted at installation from 2" to 4" offering ample leg room. Lots of rear storage for accessories. The soft to touch Viscoflex memory foam wrist support is Anti-Microbial utilizing the Aegis Microbe Shield technology. The positive angled wrist pad minimizes wrist pressure and is easy to clean with mild soap and water. Some assembly and installation required. Includes one year warranty. Made in USA.

**Add a Viscoflex
mouse pad**
